

# NSCLC Radiogenomics: Initial Stanford Study of 26 Cases

## Description

This subset of [NSCLC Radiogenomics](#) contains images from patients with non-small cell lung cancer (NSCLC) imaged prior to surgical excision with both thin-section computed tomography (CT) and whole body positron emissions tomography (PET) /CT scans acquired under Institutional Review Board approval from Stanford University and the Veterans Administration Palo Alto Health Care System. The first installment of 26 cases (see shared list "NSCLC Radiogenomics: Initial Stanford Study of 26 Cases") corresponds to microarray data acquired from the excised samples, which is available on the National Center for Biotechnology Information (NCBI) [Gene Expression Omnibus](#), where Digital Imaging and Communications in Medicine (DICOM) patient names are identical to microarray sample names. For scientific inquiries relating to the data-set, please contact Drs. Sandy Napel ([snapel@stanford.edu](mailto:snapel@stanford.edu)) or Sylvia K. Plevritis ([sylvia.plevritis@stanford.edu](mailto:sylvia.plevritis@stanford.edu)).

## Data Access

### Data Access

Click the **Download** button to save a ".tcia" manifest file to your computer, which you must open with the [NBIA Data Retriever](#)

Data Type	Download all or Query/Filter
Images (DICOM)	<a href="#">Download</a>
Microarray Samples	<a href="#">Search</a>

Please contact [help@cancerimagingarchive.net](mailto:help@cancerimagingarchive.net) with any questions regarding usage.

## Detailed Description

### Detailed Description

The original 26 cases referenced in this manuscript have been renamed. A list of the mapping between GSM-XXX Patient IDs and R01-XXX Patient IDs can be found [here](#).

## Versions

**Version 1 (Current): 2013/03/01**

Data Type	Download all or Query/Filter
Images (DICOM)	 A blue rectangular button with rounded corners. On the left is a white download icon (a downward arrow inside a circle). To the right of the icon, the word "Download" is written in white, sans-serif font.
Microarray Samples	 An orange rectangular button with rounded corners. On the left is a white search icon (a magnifying glass). To the right of the icon, the word "Search" is written in white, sans-serif font.
