

How do I obtain a TCIA username and password?

To create a new account, start at [LEGAL FRAMEWORK AND ETHICAL USE OF THIS RESOURCE](#) to accept the terms.

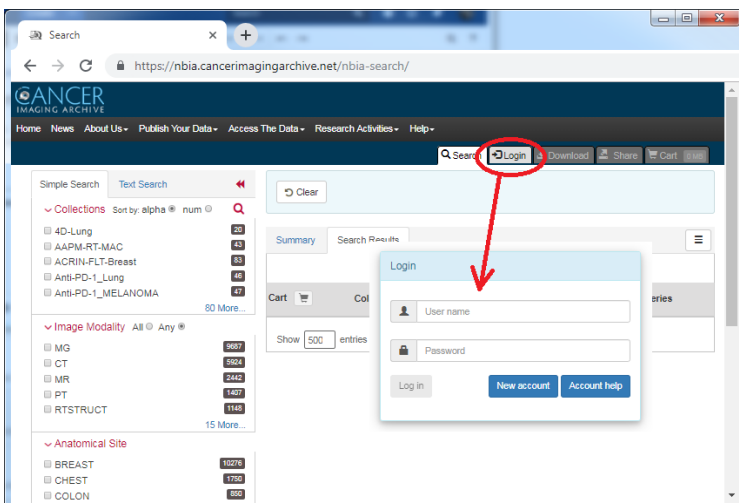

Read all of the content on the page including Ethical Use, [Data Usage Policies](#), and User Privacy notices, and then, if you agree, click the [CLICKING HERE](#) link at the bottom.

USER ACCEPTANCE

I HAVE READ AND UNDERSTOOD THE ABOVE PROVISIONS, AND SIGNIFY MY AGREEMENT BY: [CLICKING HERE](#).

The New User Registration page appears. Complete the form and click **Create**.

1. Enter your information.
 - a. Please note, choose a login that does not contain the special character . as part of your **username**
 - b. There are guidelines at the top of the page for a strong **password**. Please follow these guidelines.
 - c. Click **Create**.
2. You will be sent a confirmation email with a long string. Follow the replying instructions.
3. If you are creating an account to gain access to Limited-Access Collections, you must also **ACTIVATE** your login here: <https://nbia.cancerimagingarchive.net/nbia-search/>; please log in and click around a little.

For username and password help, go to [TCIA Account Support](#)

If you have any other trouble, please contact the helpdesk at help@cancerimagingarchive.net or at (385)ASK-TCIA by voice or SMS.
